PROFESSIONAL SUMMARY

BCA (Computer Applications) student with hands-on experience building full-stack web applications using React.js, Node.js, Express.js, and JavaScript. Skilled in developing responsive user interfaces, RESTful APIs, authentication systems, and database-driven applications. Certified in modern AI fundamentals and Python programming. Seeking an internship or entry-level role in MERN / Full Stack Development.

TECHNICAL SKILLS

Programming Languages: C, C++

Frontend Development: React.js, HTML5, CSS3, JavaScript, Responsive Web Design

Backend & Database: Node.js, Express.js, MySQL, Supabase

Core Concepts: Object-Oriented Programming, Data Structures, File Handling

Tools & Productivity: MS Office (Word, Excel, PowerPoint)

PROJECTS

Rentify — Full-Stack Room & PG Rental Platform : (React.js, Node.js, JavaScript, CSS, Supabase)

- Built a full-stack rental platform enabling users to browse, search, and list rental properties with detailed listings and images.
- Implemented secure user authentication and authorization to protect user accounts and property data.
- Designed a responsive UI across devices, improving usability for both property owners and renters.

E-Commerce Website — Full-Stack Web Application : (React.js, Node.js, Express.js, Supabase)

- Designed and developed a scalable e-commerce platform with secure user authentication and session management.
- Built a dynamic product catalog, shopping cart, and order management system.
- Integrated RESTful APIs and database operations for efficient product management and order processing.
- Delivered a responsive, user-friendly interface to support a smooth end-to-end shopping experience.

Personal Portfolio Website : (HTML, CSS, JavaScript)

- Developed a responsive personal portfolio website to showcase projects, skills, and certifications.
- Implemented smooth navigation, custom animations, and a functional contact form to improve user engagement.

EDUCATION

Bachelor of Computer Applications (BCA) 2024 - 2027

PSIT College of Higher Education, Kanpur, Uttar Pradesh | CGPA: 7.0

Higher Secondary (12th) — Science (Mathematics) 2024

RS Education Centre Inter College, Kanpur, Uttar Pradesh | 76%

Secondary (10th) 2022

RS Education Centre Inter College, Kanpur, Uttar Pradesh | 80%

CERTIFICATIONS

- Introduction to Modern AI — Cisco Networking Academy
- Programming Fundamentals using Python - Part 1 — Infosys Springboard
- TCS MasterCraft Data Plus - Data Plus Overview Course — TCS MasterCraft Academy
- International Conference (ICONSDG 2025) — Certificate of Participation, PSIT College of Higher Education
